

Definition Brows

This course covers the technique for eyebrow tinting, eyebrow waxing, threading the eyebrows and surrounding area and the application of make-up to the eyebrow area. It also includes fantastic anatomy & physiology resources with clear diagrams. Reception, consultation and aftercare guidance is covered as well as contra-indications to treatment. Photographs and diagrams ensure this course is both engaging and informative to give you the confidence to perform this very popular treatment.

Entry Requirements:

GTi Professional Standards For Therapists supplied within the course.
